The Design Team and the Sessions Committee have worked hard to bring you this condensed schedule, which will allow most members to worship with their own congregations on Sunday morning. In a further effort to reduce our carbon footprint, we are **strongly** encouraging members and visitors with Internet access to **register online** this year. Please visit Cal-Pac's Data Services site to complete this process at data.cal-pac.org. The online registration form will calculate your balance due, provide you with an opportunity to print a completed invoice and provide you with instructions on where to mail your payment. Otherwise, you are welcome to print the included registration form below, complete it yourself and mail it in with your payment.

All online and mailed-in registrations will be confirmed when an e-mail is provided. E-mail will be used to distribute most information leading up to the Annual Conference Sessions, including any last-minute information. Please include your personal e-mail address in your registration if you have one.

Please add the following addresses to your electronic address book so that you can receive e-mail from the Annual Conference. This process helps prevent your e-mail provider and software from identifying conference e-mail as spam and dumping it.

Conference Co-Secretaries Rev. Dan Lewis & Leanne Nakanishi:	secretary@cal-pac.org
Executive Assistant to the Bishop Rev. Gary Keene:	gkeene@cal-pac.org
Conference Statistician / Programmer Per Martin:	pmartin@cal-pac.org
Database Administrator / AC Registrar Jennifer Gaylord:	jgaylord@cal-pac.org

Other Important Changes and Deadlines

All registrations and payments must be postmarked or completed online by **May 22**. Registrations for voting members or those purchasing housing or meals **after May 22 must include a \$50 processing fee**.

No new housing reservations will be accepted after June 7. There are many hotels in and around Redlands which will be glad to assist those with last minute changes in plans. Please see the enclosed list.

No new meal cards will be available after June 7. Meals can be purchased individually and for cash at the campus buffet in Irvine Commons and at the Plaza Café next door. Special event tickets purchased after June 7 are also not eligible for meal card discounts, even if the attendee has previously purchased a meal card.

May the grace of the Lord Jesus Christ be with you,

Jennifer Gaylord, Annual Conference Registrar

HAWAII RESIDENTS: Please do NOT register online. Churches & delegates should print the form, complete it, and mail to the Hawaii district office, 20 S Vineyard Blvd, Honolulu, HI 96813

Annual Conference Lingo and Language: Your Guide to Understanding What Everyone Is Talking About at Redlands, In Alphabetical Order

Alternates: At local charge conferences, many congregations select an alternate for the Lay members who are attending Annual Conference. If you are that alternate and are attending **INSTEAD** of the elected Lay Member, then for all intents and purposes you **ARE** the Lay Member for the current year, unless a special session is called mid-year. Register as a Lay Member, please!

Arrival Packet: In previous years, the Arrival Packet was a large manila envelope distributed in the registration area that contained late resolutions and legislation, as well as a variety of flyers and other advertisements. For the last few years, this massive paper-generating project seemed to remain after our exodus from Redlands - it overflowed the recycling dumpster beside the parking lot. For 2009 there will be **NO** Arrival Packet. Official documents will be distributed on the floor; other papers and handouts can find a home in the booth area outside the Chapel.

Booth Reservations: If you wish to reserve a booth on the Quad, please contact Sergio Camacho, our new Booths Coordinator, at sergiowarnerbros@hotmail.com or 213-700-9589.

Campus Housing: If you are planning to stay in campus housing, please remember to **bring sheets, blankets and towels**, as well as any toiletries you require. Otherwise you can rent a set of linens and towels from the University on the registration form. All beds come with a mattress, mattress cover and pillow.

Children under 5 must be registered and assigned housing but there is no charge. **Children ages 5 - 11** must be registered and assigned housing at half-price. **Everyone 12 and older** must pay the standard price per night for double occupancy rooms (2 single beds per room, your nightly fee gets you one of the beds and a roommate).

This year we will be using Anderson Hall, a smaller part of the Brockton Apartments complex, California Hall, Cortner Hall (Hawaii only), East Hall, Founders Hall, Holt Hall (Youth only), Melrose Hall (limited), North Hall and Williams Hall. Young adults who do not express an interest in other locations will be housed in California Hall. Anyone wishing to join these young adults in this fun environment should indicate so on their registration forms. Merriam Hall continues to be unavailable. Only those checking out on Saturday may stay in East or Williams Hall. Housing assignments are based on a priority system approved by the Sessions Committee in 2007. This system takes into account requirements based on early arrival and late departure schedules, housing for families with minor children and unaccompanied minors, individuals with health and mobility restrictions, room availability and numerous other factors. Good judgment is usually exercised by the Registrar but sometimes she does make mistakes.

Residents of East and Williams Hall must check out of their rooms in Hunsaker Center by 9 AM Saturday. All other campus residents must be checked out of their residence halls by 9 AM Sunday. There are NO exceptions. Your keys must be turned into the Hospitality Services office before 9 AM. Losing your keys or forgetting to turn them in is an expensive mistake, as you or your church will have to pay not only to have the door to the room re-cored but also the main front door. Don't do it. University rules prohibit the consumption or possession of alcohol, drugs, weapons, smoking, pets, gambling, personal microwaves, personal refrigerators, skateboards and bicycles indoors.

Child Care: The Annual Conference sponsors a Child Care Center at University UMC of Redlands during the session, for children 0 - 11 years of age of conference Members and staff. For more information regarding times and prices, please see additional forms and information provided online. You can find links to these documents at the Data Services website at data.cal-pac.org.

Conference Secretary: Our Conference Co-Secretaries are charged with a number of tasks, including editing and publishing the annual Journal, Preliminary Reports to the Annual Conference, and preparing and publishing the daily minutes of the sessions, as well as reports and resolutions from standing committees to the Annual Conference. This immense task is managed by Rev Dan Lewis and Leanne Nakanishi. They can be reached at secretary@cal-pac.org. More information can be found at their website at secretary.cal-pac.org.

Disability Concerns: The Conference Committee on Disability Concerns provides assistance and advice to members of the Annual Conference who have special needs. If you will need assistance, they will do the best they can to help but cannot provide durable medical equipment, medications or cash. The committee has a table in the registration area on Tuesday and Wednesday, and a booth in the Quad thereafter. You can reach the Disability Concerns committee in advance at joannorendurff@sbcglobal.net. Questions regarding specific housing needs can be addressed to the Registrar Jennifer Gaylord at jgaylord@cal-pac.org or 626-755-5751. There is also an opportunity during the registration process (online and the form) to specify your exact needs.

Emergencies: For life-threatening emergencies, call 9-1-1 immediately. Please bring an adequate supply of medication you need, as well as a list of your current medications in the event of an emergency.

Excused Absences: Any Clergy Member who cannot attend the Session should report by letter to the Conference Secretary, stating the reason for the absence. Please see the Important Information section of the Preliminary Report for additional information.

Fragrance-Free: Out of consideration for those with allergies and all of us with varying tastes, our events are not just smoke-free - they are fragrance-free. Please refrain from wearing colognes and perfumes, as well as from smoking anywhere on the campus.

Goodbyes: Before leaving Redlands, be sure to take care of the following items. (1) **Return room keys and meal cards to Hunsaker Center.** Meal cards are also collected at Irvine Commons once they are completely used. (2) Be sure you have everything you brought with you, including small children and luggage. (3) Say a prayer for those who remain behind to clean up.

Hawaii Registration: Please do NOT register online. Churches & delegates should print the form, complete it, and mail to the Hawaii district office, 20 S Vineyard Blvd, Honolulu, HI 96813

Help! If you need help, some suggestions include the Message Center, the Registration Office, any staff member wearing a beige-colored conference badge, UofR staff members, members of the Disability Concerns committee in the Quad, 9-1-1 and campus security. Truly, nearly everyone you meet at the University of Redlands will be glad to help you, if only they knew the answer. The truth is that so much goes on during Annual Conference that **no one person knows everything that is happening**. Staff, volunteers and many people in leadership roles are asked questions of every nature - and that's perfect! Sometimes however, patience may be required while we try to find an answer.

Internet Access: Complimentary wireless access is now available in both common areas and residence hall rooms. (Your signal strength may vary depending on where the router is and you are.) Instructions for accessing the network will be provided.

Journal: The Journal is an annual publication by the Conference Secretary's office that summarizes all the events, business, plans and reports of the Annual Conference. It includes a conference clergy directory, appointment list, memorial information, committee membership lists and other data. All voting members of the Annual Conference should receive a copy in January following the Annual Conference. They are distributed through district offices, direct mailings, and pastors. Clergy should distribute copies to their charge's Lay Members when they are received from the district office. Please bring a 2008 Journal to the 2009 Session.

Lay Member Equalization: The Conference Rules specify that the Annual Conference members must be equally composed of Clergy Members and Lay Members. These same rules prescribe a process for selecting members to guarantee this equal representation. Using a formula, the Conference Statistician determines the number of Lay Members from each congregation annually, based on local church membership and overall conference membership levels as reported by the churches in Tables I, II and III. (If churches haven't done their Tables, this calculation is delayed.) Lay Members are elected by local churches, district charge conferences and selected according to elected conference leadership positions. When the number of Lay Members is within 8 of the Clergy members, the Cabinet is asked to nominate additional Lay Members to make up the difference. *Each member can have only one role and one vote.* Otherwise there is no equal representation of clergy and laity. A list of the number of Lay Members that each local charge should elect is available online through the Conference Secretary's website and at Data Services at data.cal-pac.org.

Live Feed: Chapel sessions are broadcast online for those individuals who wish to follow the session but are unable to attend. During the Annual Conference session, check the Cal-Pac website for the feed. You may need to download free software to listen. Written summaries from each day are also available on the Conference website.

Lost and Found: The Lost and Found is located in the Message Center. If you've lost something, check there. If you've found something, take it there. If you're lost, go there. After the end of Annual Conference, check with University UMC of Redlands at 909-793-1651. Lost items that are not claimed by the end of June will be sold at the church's rummage sale.

Meals: Meal cards are pre-programmed plastic cards encoded in advance with the meals you have purchased. They will work **only according to the meals on the plan**. They are not flexible, re-programmable, re-chargeable or otherwise alterable. The meal cards are for the all-you-can-eat style buffet in Irvine Commons only. **Meal cards must be returned at the end of the week or your church will be billed the \$10 replacement cost.** If you do not wish to purchase a meal card, you can pay cash on a meal-by-meal basis at the door or purchase fast-food-style meals at the Plaza Café next door. The cash prices are \$6.50 for breakfast, \$8.00 for lunch and \$10.50 for dinner. Please note that breakfast starts at 6:30, lunch service ends at 1:30 and dinner service ends at 7:00. The Plaza Café will close at 2:00 PM on Saturday.

Message Center: The Message Center is centrally located east of the Chapel (in the entrance to the Fine Arts building) where friendly volunteers from Redlands FUMC can help you contact others at Annual Conference, find things (or people) you've lost and answer general questions about the area. Stop by to thank them for their generous contribution of time, knowledge and hospitality.

Nursing Mothers: Nursing mothers may use the Robbins Prayer room in the chapel with their infants. You must provide your own supervision and supplies. The room is equipped with tables, drinking water, and hopefully an audio/video feed.

Parking: Parking your car on the campus or on the numerous side streets is free and at your own risk. The Registrar provides parking permits to Annual Conference members through the registration process. If you have a state handicap placard, it is essential that you request a parking permit. We have many more disabled participants than we have handicapped spaces, so please plan ahead.

Pre-Conference Briefing: Each district and some organizations of the conference hold pre-conference briefings to discuss legislation and educate Members about proposals and resolutions which will come to the floor of the Annual Conference for discussion and debate. The Conference Secretary's website contains a list of pre-conference briefings with times and locations, if you haven't heard where your district briefing will be.

Preliminary Report: The Preliminary Report is a document filled with information, reports, and other helpful and useful insights into the business of the Annual Conference. It is available online, so that you may print only the sections you want in front of you during the Annual Conference.

Quiet Please: The Narthex is a quiet area, for the sake of the conference's Members. In the campus residential buildings, quiet should be preserved on behalf of others from 9 PM to 9 AM daily.

Redlands FUMC is located at 1 E Olive St in Redlands. Various events during the session will be held there, including the annual UMM Breakfast on Saturday morning. Please see the registration form for time and price.

(Advance) Registration: To pre-register for Annual Conference, please read the memo on page 1 of this registration packet before proceeding! Please note that **advance registration is required** for those purchasing meal cards or campus housing. **Late and on-site registrations for voting members will be completed only with the payment of a \$50 processing fee.** Planning ahead of time is essential to your successful trip to Redlands, and last minute arrivals require significant time and attention from conference and University staff. Please be respectful of our limited time and resources and register in advance. **No meal cards or housing will be available after June 7.** Please note that Registrar Jennifer Gaylord **will not receive any mail** after Tuesday, June 9 because she is going to Redlands before everyone else.

Registration Office Area: When you arrive at Redlands, please plan to visit Hunsaker University Center to complete the registration process and pick up your registration materials. During Tuesday, Wednesday and Thursday morning, Registration will be open in the main lobby of the center. On Thursday afternoon, Friday and Saturday, please see the Registrar at the "Campus Events" window, south of Hospitality Services. Registration will be open

Tuesday from 3:00 PM - 9:00 PM

Wednesday from 7:30 AM - 9:00 PM

Thursday from 7:30 AM - 12:00 Noon, 1:00 PM - 5:00 PM

Friday from 7:30 AM - 12:00 Noon, 1:00 PM - 5:00 PM

Saturday from 7:30 AM - 12:00 Noon

By a vote of the Annual Conference, your attendance is registered by visiting Registration and picking up your registration materials. You will need your **name badge, meal card, room keys, special event tickets** and other important documents during your stay. **Clergy please visit the Registration area to complete your conference data information form** and provide us with updated information about you. If you do not do it at Redlands, we will have to use paper and postal resources to mail it to you.

Seat Covers: The Conference Committee on Disability Concerns (CCDC) distributes custom hand-sewn blue seat covers to specific individuals in the Annual Conference. Other seat covers are positioned by the Conference Secretary and the Leadership Team. These seat covers have been designed especially to fit these chapel seats and are placed in specific locations throughout the Chapel to accommodate special needs. Removing them or moving them creates delays and unexpected challenges.

Shuttles: Shuttle service is available around meal times and other scheduled events to those approved by the Conference Committee on Disability Concerns (CCDC). The shuttle runs between pre-determined stops on the campus. To participate and ride, you must have a badge ribbon added to your badge holder from the CCDC. They are in the registration area on Tuesday and Wednesday, and in a booth on the Quad afterward.

Space Use: If you need to reserve a space for an event or committee meeting and have not done so already, please contact Space Use Coordinator Karen Gardner at karengardner@redlandsfirstchurch.org or 909-793-2118.

Trash: Please place all waste in the appropriate receptacles for trash and recycling. No food, beverages, or adhesives of any kind are permitted in the Chapel. Just as you would do outside in God's Great Outdoors, please take everything out of the Chapel that you take in, including paper and water bottles. Our ushers and other kind souls will have to pick it up otherwise, so that the space is ready and waiting for the next activity.

University of Redlands: The campus's mailing address is 1200 E Colton Ave in Redlands, California. However, there is **no parking** on Colton Ave. From I-10 West, turn left onto Cypress and right onto University St. From I-10 East, turn left onto University St. Follow the signs to park while you complete registration. Maps and helpful volunteers will assist you upon your arrival.

University UMC of Redlands is located at 940 E Colton Ave in Redlands. This is two blocks west of the University of Redlands on Colton Ave. The Child Care Center is located at University UMC, and other events including ice cream socials and a local pastor continuing education event will be held there over the course of the sessions.

Voluntary Contributions: The Sessions Committee provides a number of programs that are not fully funded by apportionments, including chapel air conditioning, the shuttle program for members with disabilities, the youth program and the child care program. Your gift of \$20 or more makes these programs possible

Volunteering: There are many opportunities to volunteer your time and talents at the Annual Conference. You and your church are especially invited to participate help your favorite organization with an exhibit or booth, and pick up whenever you see litter. Those who wish to volunteer on the stage crew should contact Scott Wolverton at scottwolverton@gmail.com. If you are interested in helping with the video crew, please contact Judy Weaver at 951-244-6138. If you wish to assist in the Registration area, please contact Jennifer Gaylord at jgaylord@cal-pac.org.

Youth: Youth Lay Members and on-campus participants in the Youth Fellowship who are not housed with parents will be in Holt Hall on the Quad this year. It **IS air-conditioned**. No guests are permitted to stay in this residence hall except youth and approved chaperones, per our insurance requirements. For more information about these programs and Youth Day, please visit Cal-Pac Data Services website at data.cal-pac.org. The University and the Annual Conference require **all guests under 18** be appropriately supervised at all times and have a standard liability release on file in the registrar's office.

LATE REGISTRATIONS require significant additional work from volunteers, staff and the University of Redlands. Each visitor to and member of the Annual Conference is important but there are still only 24 hours in a day and 3 of them are necessary for sleeping. Please be considerate.

NON-VOTING GUESTS may obtain free visitor passes at any time during the Annual Conference by visiting the Registrar's office. However, if you have not pre-registered you may need to wait patiently.

VOLUNTARY CONTRIBUTIONS are not required but help offset significant costs of the Annual Conference that make the setting tolerable. These include shuttle service, chapel air conditioning, childcare and youth programs that are not fully funded by apportionments.

REFUNDS will be issued by the Cal-Pac Accounting Dept upon the cancellation of services with the Registrar prior to June 7. For refunds after June 7, when your reservation has been guaranteed to the University of Redlands, please send a written request to Conference Treasurer Dan Gara, PO Box 6006, Pasadena, CA 91102-6006.

YOUR PRIVACY is very important to us. Information collected through registration for the Annual Conference is used to plan and conduct the event and fulfill the missions of the conference. We may mail or e-mail related materials, provide demographic information requested by The United Methodist Church, comply with Conference Rules, maintain conference records and publish some contact information in the Conference Journals. Information may be shared with other organizations to fulfill these objectives but will not be sold or shared with unrelated third parties. Rules relating to the use of your personal information may be changed by an action of the Annual Conference.
